

OUR PRIVACY AND COOKIE POLICY

The website you are currently visiting belongs to Nearport Hotel and is operated by ***Şeynan Turizm Otelcilik Anonim Şirketi***. By using our website, you consent to the use of personal data obtained and collected through our website.

The company is committed to protecting your personal privacy. This policy applies only to this website and not to third-party websites. If you do not agree with the terms of our current Privacy Policy announced in this area of the site by proceeding to use our website, please do not share your personal data on this site.

If you do not share your personal data with your express consent, we assure you that the Company will not collect any personal data from your visits to our site. When you share your personal data, you authorize us to use this information in accordance with the terms of the Privacy Policy.

Personal data you may share shall be used for the following purposes:

- To send press releases or notifications via e-mail To calculate statistics regarding your transactions,
- To send printed publications or other correspondence,
- To process your reservation requests and to manage your account, İşlemlerinize ilişkin istatistikleri hesaplamak
- To create commercial statistics and analysis related to the use of the website.

If you prefer not to share your personal data on this site, you will not be able to enjoy certain rights such as accessing certain areas of the site, requesting online newsletters, making online reservations, applying for jobs, giving feedback about our businesses or sending us an e-mail.

Cookies are small data files that allow our website to collect and store a range of data on your desktop, laptop or mobile device. The company may use "cookies" to collect information such as the special site areas you visit and the services you use on our website. We collect this information to change and improve our website in line with your interests and needs. In addition, these "cookies" can be used to help you perform your transactions faster if you revisit our website. For example, our website may recognize the personal data you provide for use and to avoid requesting the same information once again. Many web browsers are preset to accept a "cookie" by default. Preferably you can set your own web browser to refuse "cookies" or to be notified when "cookies" are sent. Rejecting "cookies" on the site you enter may prevent you from visiting certain areas of the site or receiving personalized information when you visit the site.

By determining when you entered our website, which pages you browsed and how long you stayed, we can measure how effective our website is. Site measurement statistics can be used to personalize your website experience, as well as - anonymously and holistically - to create and evaluate statistics about the usage of our website.

Information about your computer, such as your IP address (the number specified for your computer when you use the Internet), the type of Web browser you are using, and the operating system you are using, may also be collected and linked to your Personal Information. This is necessary to ensure that our website provides the best experience and effective information sources for our visitors.

Nearport Hotel takes reasonable and necessary measures and precautions to ensure the security of your personal data. All identifiable personal data; It is subject to limited access to prevent unauthorized access, modification or abuse.

Institutions that provide services to the company are required to keep such information confidential and are not allowed to use this information for any purpose other than its purpose, rather than the services they provide for the Company.
